

NOAH POOH

Plan Your Masterpiece: Before you modify the art toy, sketch your vision here. Use this sheet to brainstorm and test out ideas for your Noah PooH.

Pro Tips:

Sketch freely: Start with a pencil so you can easily erase and refine your lines.

Test colors: Use markers or colored pencils to find the perfect color combos.

Show us the process: We love seeing concepts! Tag your sketches and finished vtoys with #noahpooH and @popcats.co
